17 The Court set this matter for a bail review hearing on October 16, 2012 after the
18 filing of a violation notice indicating that Ms. Taylor recently tested positive for cocaine
19 and opiates and missed two counseling appointments.

20 Ms. Taylor has been under significant stress because of the declining health and
21 recent death of her mother, with whom she lived and was very close. Ms. Taylor's mother
22 was hospitalized, then passed away a week ago Saturday. The funeral is scheduled for
23 Wednesday, October 17, 2012, the day after the scheduled court date. Ms. Taylor will be
24 preparing for the funeral during the time between now and October 17.

25 Accordingly, the defense asks that this Court continue the date for the bail review
26 hearing to October 22, 2012. The government does not object to this request. The defense

1 contacted the assigned United States Pretrial Services officer, who indicated that she does
2 not take a position on the request.
